The following is an examiner's statement of reasons for allowance:

The prior art does not disclose the feature of claim 3 inlcuding the first and second sets of curvilinear elements comprise substantially "U" shaped elements having first and second longitudinal lengths, respectively, and wherein the second longitudinal length is substantially less than the first longitudinal length.

By the present amendment, Claim 1 has been amended to include the limitation of allowed dependent Claim 3. Claim 3 has been cancelled and Claim 4 has been amended to depend from Calim 1 instead of cancelled Claim 3. Thus, all stated grounds for rejection have been overcome and Claims 1-2 and 4-7 are in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
